

**Prolacta Bioscience<sup>®</sup> to Present at the Cowen and Company 36<sup>th</sup> Annual  
Healthcare Conference on March 9, 2016**

**City of Industry, Calif. Mar 1, 2016** – Prolacta Bioscience<sup>®</sup>, the pioneer in human milk-based Neonatal Nutritional Products, announced today that it will present at the 36<sup>th</sup> Annual Cowen Health Care Conference in Boston, MA. Scott Elster, Prolacta’s President and Chief Executive Officer, is scheduled to present on Wednesday, March 9<sup>th</sup>, 2016 at 12:00 PM EST.

**About Prolacta Bioscience**

Prolacta Bioscience, Inc. is a privately-held life sciences company dedicated to Advancing the Science of Human Milk<sup>®</sup>. The company pioneered the development of human milk-based Neonatal Nutritional Products to meet the needs of critically ill, premature infants in the NICU. Prolacta leads the industry in the quality and safety of nutritional products made from breast milk and operates the first and only pharmaceutical-grade manufacturing facility for the processing of human breast milk.
